#### Introduction

Welcome to this 21-day journey diving deep into one of the most significant moments in biblical history: God's covenant with Abraham. This covenant is foundational, marking the beginning of a divine plan that unfolds throughout Scripture to bring salvation to all nations. Abraham's story is not just an ancient tale but a living testament to God's faithfulness, promises, and love.

Why study God's covenant with Abraham? Because it helps us understand how God initiates relationships, makes promises, and sets people on paths that ultimately lead to redemption. Abraham's covenant is more than a contract; it is an invitation into a story bigger than himself — a story that echoes through time and invites us to be part of God's unfolding plan.

Throughout these 21 days, you will journey through the Scriptures to witness how God called Abraham, promised him descendants as numerous as the stars, and set the stage for the coming of Jesus Christ, the ultimate fulfillment of that covenant. Each day's devotional will connect you with the heart of God, challenge you to reflect deeply, and encourage you to respond in faith and obedience.

As you engage with these passages and reflections, may you be inspired to see yourself as part of God's covenant people — called, chosen, and beloved. Prepare to encounter a God who remembers His promises, works through ordinary people, and whose covenant of grace extends to all who trust in Him. Let's embark on this transformative journey together.

#### Your Verse

Genesis 12:1 - "The LORD had said to Abram, 'Go from your country, your people and your father's household to the land I will show you."

#### **Supporting Scriptures**

- Hebrews 11:8 "By faith Abraham, when called to go to a place he would later receive as his inheritance, obeyed and went."
- Romans 4:20 "He did not waver through unbelief regarding the promise of God, but was strengthened in his faith and gave glory to God."

#### Devotional: Answering the Call of God in Faith

God's covenant with Abraham begins with a simple but profound call. God commands Abram to leave behind his familiar surroundings and go to a place unknown. This call requires complete trust and obedience. Abraham's journey begins not because he has all the answers or a clear roadmap, but because he believes in God's promise.

Faith is stepping into the unknown with confidence in God's character and promises. Abraham's example challenges us to respond to God's calls—even when the path is unclear or difficult. Trusting God means surrendering control and relying on His faithfulness.

When God calls, will you say yes? Reflect on areas in your life where God may be asking you to step out in faith. Like Abraham, your obedience can launch a story far greater than you imagine—a story of salvation, hope, and divine promise.

## Reflect and Apply

What areas in my life is God calling me to trust Him more fully?
How do I respond when God asks me to step into uncertainty?
In what ways does Abraham's faith inspire me to live obediently today?

## **Journaling Prompts**

	Write about a time you felt God calling you to do something difficult. How did you respond?
2.	List any fears or doubts you have about trusting God fully.
3.	Describe what stepping out in faith looks like for you right now.

#### Prayer for Today

Lord, thank You for Your call in my life. Help me to respond like Abraham—with courage, faith, and trust. When I face uncertainty, remind me that You are faithful and will guide my steps. Strengthen me to obey even when the path is unclear, knowing Your promises are true. In Jesus' name, Amen. 🙏 😭

#### Your Verse

Genesis 12:2 - "I will make you into a great nation, and I will bless you; I will make your name great, and you will be a blessing."

#### **Supporting Scriptures**

- Genesis 17:4–5 "As for me, this is my covenant with you: You will be the father of many nations... Your name will no longer be Abram but Abraham."
- Acts 7:2-5 "God appeared to our father Abraham while he was still in Mesopotamia... God gave him no inheritance here... yet he promised him he would give it to him as possession."

#### Devotional: God's Blessing Beyond Imagination

God's promise to Abraham is extraordinary. He commits to making Abraham the father of a great nation and blessing him abundantly. This blessing isn't just for Abraham alone but is meant to ripple outward—to make Abraham a blessing to others.

God's blessings have a purpose. They are meant to be shared and to impact generations. Abraham's name would become great not for his own glory but to fulfill God's broader plan of salvation extending through his descendants to all nations.

Consider how God's promises affect you. The original covenant was with Abraham, but through him, all who trust God are blessed. We are invited to live in the overflow of grace and be channels of God's blessing to the world around us.

## Reflect and Apply

1.	How have I experienced God's blessings in my life?

Day 3: ☆ Stars as a Covenant Sign

#### **Supporting Scriptures**

- Genesis 26:4 "I will make your descendants as numerous as the stars in the sky..."
- Hebrews 11:12 "And so from this one man, and he as good as dead, came descendants as numerous as the stars in the sky..."

Day 3: ☆ Stars as a Covenant Sign

#### Devotional: God's Promise Eternal and Multiplied

The stars in the sky become a powerful symbol of God's covenant promise.

Abraham is reminded that his descendants will be numerous beyond counting. This is a literal impossibility by human standards, but a deeply spiritual truth about God's faithfulness and the expansiveness of His plan.

God's promises often call us to believe beyond what we see. Abraham was counted righteous because he trusted God—even when circumstances, like his and Sarah's age, suggested the promise was impossible.

Let this image of stars remind you of God's endless faithfulness. No matter your situation or doubts, God's promises are secure. As we look to the sky, may we be encouraged to trust Him fully and expect the miraculous in our own lives.

- Leviticus 26:42 "Then I will remember my covenant with Jacob and my covenant with Isaac and my covenant with Abraham..."
- Psalm 105:8-10 "He remembers his covenant forever, the promise he made, for a thousand generations..."

#### Devotional: God's Unbreakable Promise

God's covenant with Abraham is a solemn, unbreakable promise. In a dramatic scene, God formalizes the covenant by promising land to Abraham's descendants. This moment provides security and assurance that God Himself establishes and guarantees the covenant.

God's covenants are foundational. They reveal His character—faithful, just, and loving. Unlike human promises that can be broken, God's promises stand forever.

We can stand firmly on God's word. His covenant invites us to live with hope and confidence. It reminds us that God is committed to His people and His plan, no matter the passage of time or challenges that arise.

Day 5: ① The Promise of Isaac

#### Devotional: Hope in God's Perfect Timing

God's promise of a son to Abraham and Sarah highlights divine timing and faith. Both were advanced in years, making the promise seemingly impossible by human standards. Yet God's plan surpasses human limitations, and His timing is perfect.

Faith trusts God's timing, not our own. Waiting requires patience and hope—a willingness to believe that God is working even when we don't see immediate results.

**Isaac's birth becomes a tangible sign of God's faithfulness.** It points forward to the ultimate Son, Jesus Christ, through whom the greatest promises are fulfilled. In our own lives, God's perfect timing invites us to live with trust and expectation.

#### Devotional: Faithful Living in Covenant Relationship

God calls Abraham to "walk blameless" before Him. This invitation involves faithfulness, integrity, and close relationship with God. Abraham's obedience models how believers are to live in covenant with God.

Walking blameless does not mean perfection; it means living earnest and sincere lives before God, seeking to honor Him in all things. This kind of walk is a daily choice to trust, obey, and love God.

Our covenant relationship invites us to walk with God intimately. As we seek to follow Him faithfully, He shapes our hearts, refines our character, and empowers us to be His witnesses.

#### Devotional: A Mark of Covenant Faith

Circumcision was established as the physical sign of God's covenant with Abraham. It marked those set apart as part of God's chosen people and served as a tangible reminder of their relationship with Him.

More than a physical ritual, it pointed toward spiritual reality. The New Testament teaches how circumcision symbolizes a heart transformed by faith through Christ. This covenant sign invites believers into identity and commitment.
