## Introduction

**Parenthood** is one of the most profound and rewarding callings God gives to us. In those early years, especially when teaching preschoolers about God's creation, parents have a unique opportunity to nurture curiosity and faith simultaneously.

Young children naturally marvel at the world around them—the bright colors of flowers, the songs of birds, the rhythm of day and night. These moments become living lessons about the Creator's care and power, planting seeds of wonder and trust. This study plan is designed for parents seeking to weave God's truths into everyday conversations and experiences with their little ones, encouraging both spiritual growth and a deep sense of awe.

Throughout the next seven days, you will engage with scripture passages that highlight aspects of God's creation, learn devotional insights to shape your teaching approach, and reflect on practical ways to instill faith in the hearts of your preschoolers. From the creation story to God's providence over animals, plants, and people, this plan will help you guide your children in seeing God's hand in all things.

It's not about perfection but presence—being a loving, patient guide who points children to God's love and power through His creation. You will receive encouragement and tools to foster meaningful conversations, nurture wonder, and build a faith foundation that lasts a lifetime. Let's embark on this

journey together, trusting God to use your teaching to inspire tiny hearts to glorify Him.

Day 1:  God Made Everything Beautiful

## Devotional: Begin with God's Beautiful Creation

**Starting with Creation** is the perfect way to introduce preschoolers to God's immense power and love. Genesis 1:1 reminds us that God made everything around us—sky, earth, animals, and people. Help your child see and appreciate these wonders, narrating simple, joyful stories about each part of creation. When they notice clouds or flowers, remind them that God thoughtfully made these just for them.

*Children relate well to visual and tactile experiences, so encourage exploring outdoors together, pointing out God's handiwork in the smallest details.* This reinforces the idea that God is present in everything they see and feel.

It's important to keep explanations simple and joyful—focus on the goodness and beauty of creation, igniting wonder about the One who made all things.

Day 2: 🌸 The Goodness of God's Creation

## Devotional: Embracing God's Good and Caring Nature

God declared His creation "very good," showing He delights in the world and everything in it. Preschoolers can grasp this idea through joyful experiences—touching soft petals, watching birds flutter, or hearing the wind whisper.

*This understanding helps children feel loved by a kind Creator who wants good things for His creation, including them.* It also teaches them to respect and care for the world as a precious gift.

Encourage your little ones to express gratitude to God for continual provision, like the birds being fed without worry. These simple observations reveal God's care and invite trust in Him.

- *Proverbs 12:10 - "The righteous care for the needs of their animals..."*

Day 3: 🐾 God Made Animals for Us

## Devotional: Teaching Love and Care Through Animals

**Animals are a delightful part of God's creation** and wonderful friends for preschoolers to learn about. They reveal God's creativity and care in fun and familiar ways. Use opportunities like petting a dog, watching ducks, or reading animal stories to talk about how God made each creature special and gave them roles in the world.

*This also teaches responsibility and kindness.* By caring for animals, children learn empathy—a reflection of God's own heart.

Explain that God provides food and shelter for all creatures, demonstrating His faithful provision and sustenance. This can comfort children as they understand God cares for them just as much.

## Reflect and Apply

- *Philippians 4:19 - "And my God will meet all your needs according to the riches of his glory in Christ Jesus."*

Day 4: 🌳 God Provides For Every Need

## Devotional: Teaching Trust in God's Provision

**Teaching young children about God's provision** helps form a foundation of trust and security. When preschoolers see food on the table or clothes on their back, it's a chance to explain these blessings come from God's loving hand.

*Matthew 6 encourages us not to worry but to seek God first, trusting Him to provide everything we need.* This truth can gently calm anxious little hearts and remind parents to frame daily routines as expressions of God's care.

Simple prayers of gratitude before meals and discussions about God's provision in nature reinforce reliance on Him and build spiritual resilience early.

## Day 5: 🙏 Created in God's Image

- *Psalm 139:14 - "I praise you because I am fearfully and wonderfully made; your works are wonderful..."*
- *Ephesians 2:10 - "For we are God's handiwork, created in Christ Jesus to do good works..."*

Day 5: 🧡 Created in God's Image

## Devotional: Valuing God's Image in Every Child

**Helping preschoolers understand their special place in creation** encourages them to value themselves and others as God's unique masterpieces. Genesis 1:27 tells us that humans are made in God's image, meaning each person reflects aspects of God's nature.

*Through this, children learn their worth is rooted in God's design, not feelings or achievements, fostering healthy self-esteem and respect for others.*

Parents can celebrate their children's individuality and gently show how God loves all people uniquely and equally. Activities like looking in mirrors together or drawing self-portraits can make this concept tangible and fun.

Day 5: 🧡🧡 Created in God's Image

## Reflect and Apply

1. How do you communicate your child's value as God's image bearer?

---

---

---

2. What practical ways can you teach respect for others' unique God-given traits?

Day 5: 🧡🧡 Created in God's Image

## Prayer for Today

**God**, thank You for creating us in Your image, making each of us wonderfully unique. Help me teach my preschooler to see their worth through Your eyes and to respect others as Your beloved. May this truth build confidence and love in their heart, shaping their identity in You. *In Jesus' name, Amen.* 🧡❤️

- *Hebrews 10:23 - "Let us hold unswervingly to the hope we profess, for he who promised is faithful."*

## Devotional: Instilling Trust in God's Promises

**Faithfulness is a cornerstone of God's character** that preschoolers can begin to grasp through the story of the rainbow covenant.

Explaining how God promised never to flood the earth again and marked it with a rainbow teaches children that God keeps His promises and is always there for them.

*This assurance helps build trust and comfort, vital in early faith formation.* Parents can point out rainbows, talk about God's love, and connect natural signs of promise to His ongoing care and presence.

Encourage your child to remember this when they feel afraid or unsure, knowing God is faithful “every morning” and forever.

## Reflect and Apply

1. How does the rainbow story help your child understand God's faithfulness?

---

---

---

2. In what ways can you model trust in God's promises daily?

---

---

---

3. How can reminders of God's faithfulness bring peace to your family?

---

---

---

Day 6: 🌈 God's Promise and Faithfulness

## Prayer for Today

**Faithful God**, thank You for Your unchanging promises and love. Help me to teach my preschooler about Your faithfulness through signs like the rainbow and Your word. May we trust You wholeheartedly and find comfort in Your care every day. Strengthen our hope and deepen our faith in You. *In Jesus' name, Amen.* 🌈💖🙏🌟

- *Ephesians 4:2 - "Be completely humble and gentle; be patient, bearing with one another in love."*

Day 7: ❤️ Loved and Loved to Love

## Devotional: Reflecting God's Love Through Parenthood

**Parenthood is a beautiful reflection of God's love**, especially when teaching young children that they are loved so deeply by God that they can love others in return.

*1 John 4:19 reminds us that love flows from God through us to our children and out to the world.* The affectionate, patient care you provide models God's unconditional love vividly for preschoolers.

Encourage your child to show kindness and love, even in small ways like sharing toys or comforting friends. These habits help them grow in empathy and reflect God's heart.

As you close this week's study, embrace the joy of parenting as a calling to love and teach love daily.
