# Day 1: ✨ Healing the Blind Man's Eyes

## Day 1: ✨ Healing the Blind Man's Eyes

## Your Verse

*John 9:1-7 - "...He spit on the ground, made some mud with the saliva, and put it on the man's eyes..."*

## Supporting Scriptures

- *Mark 8:22-25 - 'He took the blind man by the hand and led him outside the village...'*
- *Luke 18:35-43 - 'Jesus stopped and ordered the man to be brought to him...'*

## Day 1: ✨ Healing the Blind Man's Eyes

## Devotional: Faith Opens Blind Eyes

Jesus' healing of the blind man in John 9 highlights both physical and spiritual sight. When Jesus applied mud to the man's eyes and told him to wash, it was an act of faith in progress—the man obeyed Jesus even before seeing the results. This miracle shows us that faith can be the first step toward receiving healing.

The blind man's healing was not only a restoration of physical sight but also a powerful metaphor for spiritual insight. In our lives, spiritual blindness can prevent us from seeing God's promises and presence clearly. Jesus invites us to trust Him, even when the process isn't fully clear.

*When you encounter situations where healing seems impossible, remember that faith steps into the unknown, and Jesus invites you to trust His touch.*

## Day 2: 🖐️ Healing the Paralyzed Man

## Devotional: Faith That Breaks Barriers

In this story, friends bring a paralyzed man to Jesus, demonstrating their **unwavering faith by lowering him through a roof to reach Him**. Their persistence and belief reflect the importance of community and faith working together to overcome obstacles.

Jesus first addresses the man's deeper need—sin forgiveness—which shows that true healing often involves wholeness beyond the physical. When Jesus tells the man to get up and walk, He restores both his body and spirit.

*Consider the barriers in your life that need breaking down, and who in your community can journey with you in faith and support.* Jesus invites not only individuals but also their faith-filled relationships into the healing process.

## Devotional: Jesus Opens Our Spiritual Ears

**When Jesus heals the deaf and mute man, He uses the Aramaic word 'Ephphatha' meaning 'Be opened!' This physical healing points to a larger spiritual truth: Jesus desires to open our ears to His voice and heart.**

Often, our spiritual hearing is dull due to distractions, doubts, or sin. Like the man, we need Jesus to touch our ears and tongues, enabling us to hear and respond to Him fully.
