## Introduction

**Men have a significant role within the church body, combining strength with humility to lead and serve effectively.** This study invites men to explore what it means to be actively involved in the local church—not just as attendees, but as vital contributors in leadership, volunteering, and consistent presence. Throughout Scripture, men are called to embody Christ-like character in their relationships, workplaces, homes, and congregations.

*Serving with strength* refers to the courage, steadfastness, and commitment men bring when they answer God’s call to lead. Yet, true service also requires *humility*—recognizing the church as God’s family where all members contribute uniquely under Christ’s headship. This balance fosters unity and nurtures growth within the body.

Over the next seven days, you will be encouraged to reflect on biblical examples of men’s roles in the church, practical ways to serve and lead, and personal challenges to grow in character and faith as God’s servant-leader. Whether you currently lead, volunteer, or are seeking your place in the local church, this plan will equip and inspire you to take ownership and serve with excellence, humility, and love.

Let this time be more than reading—as you meditate on God’s Word and apply these truths, may you cultivate a heart aligned with Christ’s servant leadership, enriching the church and glorifying God with your life.

# Day 1: Called to Lead with Strength and Humility

Day 1:  Called to Lead with Strength and Humility

## Your Verse

*1 Timothy 3:1 - "Here is a trustworthy saying: Whoever aspires to be an overseer desires a noble task."*

## Supporting Scriptures

- *Ephesians 4:12 - "to equip his people for works of service, so that the body of Christ may be built up"*
- *Philippians 2:3 - "Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves."*

## Devotional: Balancing Strength and Humility in Leadership

**Leadership in the church calls for both strength and humility.** Paul's instruction to Timothy highlights that overseeing the church is a noble, trustworthy task. It requires men to step forward, not out of desire for power, but out of a deep love for God's people.

True leadership reflects Christ's model: strong enough to protect and guide, yet humble enough to serve and submit. Often, men feel pressure to appear strong and self-sufficient, but Scripture reminds us that humility strengthens leadership by building trust and fostering unity.

As you consider your role in the church, ask God to reveal how you can serve with integrity and grace. What noble tasks is He calling you to undertake? Remember, your strength is found in Christ, and your humility marks you as His servant-leader.

## Devotional: Faithful Service Builds Church Community

**Serving in the local church requires faithfulness and a heart eager to build community.** Paul calls believers to serve one another with humility and love, showing that service is not just about tasks but about relationships.

Men are encouraged to bring zeal and spiritual fervor into everyday service and presence—whether volunteering, leading, or simply being present and supportive to others. This faithfulness strengthens the bonds of the church and encourages growth in all members.

- *Matthew 20:26 – "Whoever wants to become great among you must be your servant."*

## Devotional: Serving Faithfully with Gifts and Grace

**Volunteering is an essential expression of a man's role in the church.** Scripture calls men to be faithful stewards of God's grace by actively using their gifts to serve others.

Serving with your talents and heart combines strength with humility—as you build up the church, you also heal and encourage fellow believers. Whether it's teaching, hospitality, counseling, or maintenance, every task matters when done with the right heart.

The challenge is to offer your time and gifts wholeheartedly, seeing each act as service to Christ Himself. This perspective transforms routine tasks into worship and reflects Christ's servant nature. What gifts has God given you? How are you faithfully applying them in your church community today?

- *Philippians 2:5-7 - "Your attitude should be the same as that of Christ Jesus... made himself nothing."*

## Devotional: Leading Through Humble Service

**Leadership in God's kingdom is defined not by authority but by service.** Jesus, the ultimate example, came not to be served but to serve, modeling servant leadership for all men in the church.

This challenges traditional views where leadership may be associated primarily with power or privilege. Instead, men called to lead are invited to adopt a posture of humility—laying down selfish ambitions and seeking to serve the church family sacrificially.

Such leadership fosters trust, unity, and spiritual growth. It reshapes the culture of the church by prioritizing the needs of others above personal recognition. As you reflect on leadership, ask yourself: How can I serve those I lead with the selflessness of Christ?

## Reflect and Apply

1. How does Jesus' example reshape your understanding of leadership?

---

---

---

Day 5: 🕊️ Strength from God's Spirit in Service

## Devotional: Serving with Spirit-Filled Strength

**Men called to serve in the church must rely not on their own strength but on God's Spirit.** Zechariah reminds us that true power and effectiveness come through the Holy Spirit—not human effort or will.

When you face challenges as a leader or servant, it can be tempting to depend on your abilities alone. Yet God equips you with power, love, and self-discipline to walk boldly in His calling. The Spirit strengthens your resolve, fills you with courage, and produces fruit that blesses the church.

Embrace the Spirit's presence in your life today. Seek His guidance in your service and leadership so that your impact glorifies God and builds His kingdom.

This presence signals commitment, support, and love for the church community. Your participation in worship, prayer, and fellowship nurtures unity and reflects Christ's desire for His bride—the church—to be united.
