Day 1: 🌿 Strength and Dignity

Devotional: The Power of Inner Strength and Confidence

Strength and dignity are the foundation of the Proverbs 31 woman's character. She isn't defined by circumstances but rooted deeply in God's empowerment and purpose. This strength allows her to face the future with confidence and joy, knowing she is upheld by God's grace. Strength is not just physical but spiritual — a resilience born of faith that sustains her through challenges.

Her dignity comes from knowing her worth is established by the Lord rather than the opinions of others. In a culture that may try to diminish her value, she stands tall because her identity is secure in Christ. This noble spirit enables her to laugh without fear at what is to come, surrendering control to a God who holds the future.
