Introduction

What is a worldview? Simply put, a worldview is the lens through which we see and interpret the world around us. It shapes our understanding of purpose, right and wrong, and how we live our daily lives. As teenagers growing up in a fast-changing culture, it's vital to understand not only your own worldview but also how it compares to others.

This three-day study is designed to help you explore the foundations of a Christian worldview and contrast it with some popular cultural views prevalent today. You'll learn why your worldview matters deeply, influencing your decisions, relationships, and sense of meaning.

Our world offers many competing answers to questions like: *Why am I here? What is right and wrong? How should I live?* Those answers affect everything you do. By seeing these through the lens of Scripture, you can build a clear and confident foundation for your life.

Throughout this study, you'll discover God's truth about your purpose and identity, and how viewing the world from a biblical perspective can empower and guide you. Whether you're facing peer pressure, life choices, or just wondering about what truly matters, this plan will equip you to think deeply and live intentionally.

Day 1: What Is a Worldview?

Your Verse

Romans 12:2 - "Do not conform to the pattern of this world, but be transformed by the renewing of your mind."

Supporting Scriptures

- *Proverbs 3:5 - "Trust in the Lord with all your heart and lean not on your own understanding."*
- *Colossians 2:8 - "See to it that no one takes you captive through hollow and deceptive philosophy."*

Devotional: What Shapes Your View of the World?

Understanding what a worldview is is foundational to living a meaningful life. Your worldview shapes how you interpret everything: your experiences, values, and even your identity. It acts like a pair of glasses that tint your perception of reality.

Romans 12:2 challenges us not to simply absorb the culture around us, but to be transformed by renewing our minds through God's truth. This renewal helps us develop a Christian worldview — one rooted in God's character and word.

Many cultural worldviews are built on shifting values and opinions, but the Bible offers a firm foundation. Proverbs 3:5 reminds us to trust God rather than depending solely on our own understanding, which can be limited or skewed. Colossians warns us to be careful of philosophies that look wise but can lead us away from truth.

As a teen, this means you have the choice to evaluate what you believe and why. You don't have to simply accept every message from media, friends, or society. Instead, you can seek God's perspective and allow it to guide your life.

Reflect and Apply

1. What are some beliefs or values you have adopted without questioning?

2. How can you begin renewing your mind according to God's truth?

3. Why do you think it is important not to conform to the world's patterns?

Day 1:  What Is a Worldview?

Journaling Prompts

1. List three influences that impact how you see the world.

2. Write about a time when your beliefs conflicted with popular culture.

3. Describe what trusting God over your understanding looks like in your life.

Day 1: 🌍 What Is a Worldview?

Prayer for Today

Lord, help me to see the world through Your eyes. Teach me to reject harmful influences and renew my mind with Your truth. Give me courage to stand firm in what is right and trust You completely every day. Guide my thoughts and decisions so my worldview reflects Your love and wisdom. Amen. 🙏 ✨

Day 2: 🔍 Comparing Worldviews: Christian and Cultural Views

Your Verse

John 14:6 - "Jesus answered, 'I am the way and the truth and the life.'"

Supporting Scriptures

- *Psalm 119:105 - "Your word is a lamp to my feet and a light to my path."*
- *1 John 2:15 - "Do not love the world or anything in the world."*

Devotional: Why Jesus is the Ultimate Truth

Today's focus is comparing the Christian worldview with some common cultural perspectives. Many in culture promote the idea that all beliefs are equally true or that truth is personal and flexible. However, the Bible presents Jesus as the ultimate truth.

John 14:6 clearly declares that Jesus is the only way to truly know God and live a meaningful life. This isn't about dismissing others but recognizing that God's truth offers a firm foundation for hope and purpose.

Psalms 119 helps us understand how God's word illuminates our path, offering guidance that culture often lacks or changes constantly. Cultural views may encourage self-centeredness or relativism, but Scripture urges us not to love the things of this world so deeply that we lose sight of eternal truths (*1 John 2:15*).

As a teen, you are surrounded by competing messages about identity, morality, and purpose. Choosing a Christian worldview means carefully considering what is true and good and aligning your life with God's revelation rather than fluctuating societal opinions.

Reflect and Apply

1. How do cultural messages about truth differ from what Jesus teaches?

2. In what ways does God's Word guide your daily decisions?

3. What challenges do you face when living out a Christian worldview among peers?

Journaling Prompts

1. Reflect on a time when you had to choose between cultural values and biblical truth.

2. Write how Jesus' claim as 'the way' influences your understanding of purpose.

3. Describe what it means to not love the world like 1 John 2:15 instructs.

Prayer for Today

Father, thank You for revealing true life through Jesus. Help me to discern and embrace Your truth in a world full of distractions and conflicting messages. Strengthen me to live by Your Word as my guide and to resist the pull of temporary worldly desires. May my life reflect Your love and truth always.

Amen. 🙏📖❤️

Day 3: ✨ Living Out a Christian Worldview

Your Verse

Micah 6:8 - "Act justly, love mercy and walk humbly with your God."

Supporting Scriptures

- *Romans 8:28 - "In all things God works for the good of those who love Him."*
- *Ephesians 4:22-24 - "...put on the new self, created to be like God in true righteousness and holiness."*

Devotional: Walking Humbly and Living Faithfully

Understanding a Christian worldview is only the beginning. Living it out daily is where true transformation happens. *Micah 6:8* sums up what God desires: justice, mercy, and humility.

When you live by a Christian worldview, your purpose is clear and grounded in God's goodness. Even when life is hard, *Romans 8:28* reassures that God is working for your good. This perspective gives hope and strength to keep trusting Him.

Ephesians 4:22-24 encourages you to leave behind old ways and embrace the new self God creates within you — one that seeks righteousness and holiness. As a teen, this means making choices that reflect God's character: showing kindness, standing up for what's right, and relying on God's power to change your heart.

Living a Christian worldview is a daily journey of faith and growth. It means letting God shape how you see yourself and your role in the world, fueling your actions with grace and humility.

Reflect and Apply

1. What does walking humbly with God look like in your daily life?

2. How can you practice justice and mercy in your friendships and community?

3. In what areas do you need to ‘put on the new self’ as described in Ephesians?

Journaling Prompts

1. Write about a specific way you can show mercy this week.

2. Reflect on how trusting God's sovereignty affects your reactions to challenges.

3. Describe what humility means and how you can grow in it.

Day 3: ✨ Living Out a Christian Worldview

Prayer for Today

Lord, help me act justly, love mercy, and walk humbly with You. Teach me to live consistently with the worldview You give me, reflecting Your character in my words and actions. Strengthen me to grow daily in faith, trusting Your plan even when it's hard. Fill me with Your Spirit to live a life pleasing to You.

Amen. ✨ 🙏 🍷 🌱
