#### Introduction

#### Welcome to this 21-day Bible study on Wisdom from Biblical Elders.

Throughout Scripture, God uses the lives and testimonies of elders—those who have journeyed through faith with perseverance—to teach us profound lessons about living wisely and honoring Him. From patriarchs like Abraham, to leaders like Moses and judges like Deborah, their experiences reveal how divine wisdom can be discovered, applied, and passed on.

*Wisdom* in the Bible is far more than knowledge or cleverness—it's the skill of living according to God's will, trusting His guidance, and discerning right from wrong. It's learning to embrace God's timing, handling challenges with faith, and leading others with humility. These elders were not perfect, but their stories show how God's wisdom worked through their humanity to accomplish great things.

Over the next three weeks, we will explore the lives of some of these remarkable figures. You will see Abraham's faith and patience, Moses' courage and advocacy, Deborah's leadership and reliance on God, and others who shaped the story of God's people. As you read each day's scripture and devotional, consider how their wisdom can inspire you in your own walk of faith, in your decisions, relationships, and understanding of God's purpose for your life.

May this study encourage and challenge you to seek the Lord earnestly for wisdom that transforms. Let's begin this journey with open hearts, ready to

receive the guidance of the Spirit and the examples of these wise elders. 🙏
