## Introduction

Welcome to this 7-day Bible study plan focused on the remarkable visit of the Queen of Sheba to King Solomon. This story, found in the Scriptures, beautifully illustrates the power of divine wisdom, the quest for understanding, and the recognition of God's hand in human affairs. The Queen of Sheba, a prominent and wealthy monarch, journeyed a long distance to witness Solomon's famed wisdom firsthand. Through this encounter, we see themes of humility, reverence, and the pursuit of truth woven deeply into the narrative.

*As we study together, you will be encouraged to reflect on how God's wisdom guides us in daily decisions and challenges.* The meeting between Solomon and the Queen is not just a historical event; it serves as a timeless reminder that God's wisdom surpasses earthly knowledge and that seeking it with a sincere heart leads to blessing. ✨

**This study invites you to explore Scripture carefully, seeking to apply God's teaching to your own life.** From understanding how wisdom reveals God's glory to appreciating the humility required to receive it, each day opens new insights that inspire faith and action.

Prepare your heart to encounter God's Word afresh, anticipating moments of discovery and deeper connection with the divine wisdom that Solomon exemplified and the Queen of Sheba admired. Let us begin this journey toward greater understanding and spiritual growth!
