Introduction

Welcome to "Wise Words: Taming the Tongue," a 21-day Bible study designed to transform how you communicate through the lens of God's wisdom. The Bible reveals that words carry immense power — they can build up or tear down, heal or hurt, bring peace or cause conflict. How often have we found ourselves regretting words spoken hastily or dishonestly? This study invites you to grow in wisdom that shapes not just what you say but how you say it with honesty and grace.

James 3:5-10 warns us about the tongue's power, calling it a small but mighty part of the body that can set the course of our lives and relationships. Throughout these 21 days, you will explore Scripture passages that teach wisdom's vital role in taming the tongue, speaking truth in love, and choosing honesty over deception. You will be encouraged to reflect deeply on how your speech reflects your heart and character.

Each day includes a primary Scripture passage paired with supporting verses, a devotional that unpacks the theme, reflection questions to challenge your heart, journaling prompts to apply your insights, and a prayer to cultivate a wiser, gentler tongue. As you engage with God's Word, expect to see changes not only in your conversations but in your overall walk with Christ!

Whether you struggle with words lost in anger, telling half-truths, or struggling to find gentle ways to speak honestly, this study offers God's transformative wisdom. May your speech become a fountain of life,

encouragement, and integrity, bringing glory to God and blessing to those around you.**Let the journey to wisdom-filled speech begin!**

Day 1: Power of Words

Day 1: A The Power of Words

Your Verse

Proverbs 18:21 - The tongue has the power of life and death, and those who love it will eat its fruit.

Supporting Scriptures

- James 3:5 Likewise, the tongue is a small part of the body, but it makes great boasts.
- Ephesians 4:29 Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up.

Day 1: A The Power of Words

Devotional: Recognizing the weight of your words

Our words carry immense weight; they can uplift or destroy, encourage or discourage. Proverbs 18:21 reminds us that the tongue has the power of life and death. This means what we say impacts not only others but also our own spiritual well-being. When we choose to speak positively and wisely, we feed life into relationships and ourselves.

James 3:5 highlights how such a small part—the tongue—can boast great power. This dual potential means our tongue can serve God by spreading love or harm through careless speech.

Paul's instruction in *Ephesians 4:29* exhorts us to filter our words so that they build up instead of tear down. As we begin this journey on taming the tongue, let's honestly evaluate how our speech influences those around us. Are we a conduit of God's life-giving wisdom or do our words sometimes bring death and confusion?

Today, ask God to reveal areas where your words may be harmful and to help you begin speaking with intention and grace.

Day 1: 💁 The Power of Words

Reflect and Apply

1.	How aware are you of the impact your words have on others?
	Can you recall an instance where your words built up or tore down someone recently?
	What motivates your choice of words—habit, emotion, or intentional wisdom?
•	

Day 1: 🚇 The Power of Words

Journaling Prompts

1.	List three recent situations where your words influenced others positively or negatively.
	Reflect on specific words or phrases you tend to use often—are they life-giving or harmful?
	Write a prayer asking God to help you tame your tongue and speak wisdom.

Day 1: A The Power of Words

Prayer for Today

Lord, today I recognize the power of my words. Help me to speak life and truth, avoiding careless or harmful speech. Teach me to be mindful of how my tongue influences others and my own heart. Fill me with Your wisdom so my words reflect Your love and grace. May my speech bring encouragement, healing, and peace. In Jesus' name, Amen.

Your Verse

Proverbs 2:6 - For the Lord gives wisdom; from his mouth come knowledge and understanding.

Supporting Scriptures

- James 1:5 If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault.
- Psalm 111:10 The fear of the Lord is the beginning of wisdom; all who follow his precepts have good understanding.

Devotional: Seeking God as the source of wisdom

Wisdom is not something we stumble upon; it originates from God. Proverbs 2:6 declares that the Lord is the ultimate source of wisdom, knowledge, and understanding. Without Him, our words and decisions can easily lead us astray.

James 1:5 encourages us to ask God for wisdom boldly and without hesitation—He gives generously! This invites us to begin every conversation, especially difficult ones, with prayer, seeking His guidance on our tone and honesty.

Remember, *Psalm 111:10* points to 'the fear of the Lord' as the foundation for true wisdom. This reverential respect for God aligns our hearts with His truth and transforms not just what we say, but why and how we say it.

Today, take time to ask God for wisdom before speaking, trusting that He will guide your tongue and motives.

Supporting Scriptures

- Proverbs 21:23 Those who guard their mouths and their tongues keep themselves from calamity.
- James 3:2 We all stumble in many ways. Anyone who is never at fault in what they say is perfect.

Devotional: Inviting God to control your speech

The psalmist's plea in Psalm 141:3 is a beautiful prayer for protection over our words. Asking God to set a guard over our mouths acknowledges that without His help, our tongue can easily cause harm.

Proverbs 21:23 confirms the wisdom in guarding our speech—doing so keeps us from unnecessary trouble. Words careless or harsh often lead to conflict or regret.

James 3:2 reminds us of our human weakness with speech—no one is perfect, and we all stumble. This gives hope that God's grace covers our failures as we strive to improve.

Today, practice inviting the Holy Spirit to guard your words before you speak. Pause and pray silently, asking for His control over your tongue.
